

School of Hospitality, Sport and Tourism Management

The mission of the School of Hospitality, Sport, and Tourism Management is to prepare students to become future leaders and scholars in hospitality, sport and tourism management by providing exemplary integrative and experiential academic preparation in a collaborative environment, to conduct seminal and applied research that impacts the hospitality, sport, and tourism industries on a local, national, and global level, and to provide professional and community service.

The total experience within the School of Hospitality, Sport and Tourism Management facilitates students to have an exceptional fundamental education, engagement in service learning experiences, exposure to working professionals, and career preparation through internships. As a result, students are provided a competitive advantage in a job market that is projected to see continual growth.

The School of Hospitality, Sport and Tourism Management prepares students for a variety of positions in the hospitality, sport and tourism industries. The goal of the faculty and School is to create an integrated academic learning environment for analyzing and resolving the challenges in the deliverance and business of hospitality, sport and tourism. The faculty and staff are committed to providing support for student achievement. Students can enter the hospitality, sport and tourism industries with exceptional knowledge, professional preparation, and the confidence to assume leadership positions.

The School of Hospitality, Sport and Tourism Management offers three undergraduate concentrations: (1) Hospitality Management, (2) Sport Management, and (3) Tourism Management. The focus of the undergraduate program is to provide a comprehensive educational experience and to train students for entry into the sport management, leisure services, and/or tourism and hospitality occupations at the professional level.

Hospitality Management is the study of all people, activities, businesses, and/or organizations involved in providing service to support the restaurant, accommodation and/or

NURSING, BACHELOR OF SCIENCE (BSN)
(124 HOURS)

Admission

Admission to the BSN program is competitive. Meeting minimal admission criteria does not guarantee acceptance. For admission to the BSN program, students must

1. have an overall GPA of at least 2.5 on 4.0 scale. (All hours attempted are used in calculation of overall GPA.)
2. file written application with the School of Nursing. Consult academic adviser or BSN Coordinator. For information regarding BSN courses on the Dothan campus, please contact the School of Nursing at (334) 983-6556 EXT 1435. Deadlines for receipt of BSN applications are March 1N
