

but i'll let you go  
because it's the right thing,

*(i can't, love—  
i really can't)*

but i hope you knew  
that it wasn't a simple infatuation—  
i was truly in love  
and i was grateful.

i loved you

*(i still do)*

i loved you

*(cliché,  
cliché,  
cliché)*

i love you

*(don't walk away)*

goodbye,

goodbye.

*(beep,  
beep,  
beep,  
beep...)*
