Troy University has selected Enterprise Rent-A-Car/National Car Rental as preferred vehicle supplier. In 2007, Enterprise specializes in in-town rentals and National for customers who rent at airports.

#### Frequently Asked Questions

Who is an eligible renter under the Troy University contract with Enterprise/National? Enterprise/National has agreed to extend the same rates and discounts for personal travel as well as university business.

Is there a minimum age requirement?

Yes, renters must be 21 or older. Renters 21 to 24 years old are considered young renters. National and Enterprise waives the young renter fee for Troy University.

Will I need to show identification at the time of rental? Yes, you will need to show a valid driver's license.

What if I am already a member of a frequent renter program with a different car rental supplier?

Enterprise/National will automatically match that benefit level when you enroll in their program. Please contact 3DUNHU 5REHUWV DW 3DUNHU + 5REHUWV#H
