Program Overview. Please provide a general description of the program, including the program mission or purpose statement. A program mission describes the primary purpose, values, and philosophy of the educational program. It should be clear, concise, and meaningful, and it should include the purpose of the program, the students to be served, the academic environment, the curriculum's primary focus, and expected contributions to the community. A program mission should align with the University mission and goals and/or the mission and goals of the college. In addition to the program's general description and mission or purpose statement, a brief history of the program may be appropriate.

Program Goals and Student Learning Outcomes (SLOs):

Please state the program goal(s), educational objectives (optional), and student learning outcomes, as well as the measures and criteria that will be used to assess each student learning outcome.

Note: Each program should identify four to eight program-level student learning outcomes which students should achieve upon completion of the program. Each SLO should have at least two measures, and one of these measures must be a direct measure.

Program Goal(s): (also indicate which SLOs are related to each goal)
