Thanksgiving . . . . . Miss M. Ward  
Christmas . . . . . Miss M. Ward

WINTER PROGRAM  
The program for the winter months is planned to be a series of social events and assemblies. The first of these is the Junior Prom, to be held on Friday, December 10th. This will be a formal affair, and the proceeds will be used for the purchase of books for the school library. Following the prom, there will be a series of social dances, and a Christmas party for the entire school. The winter program will close with a New Year's assembly on January 1st.

SPRING PROGRAM  
The spring program is planned to be a series of social events and assemblies. The first of these is the Spring Dance, to be held on Friday, March 10th. This will be a formal affair, and the proceeds will be used for the purchase of books for the school library. Following the dance, there will be a series of social events, and a Spring picnic for the entire school. The spring program will close with a Spring assembly on March 31st.

EXTRA-CURRICULAR ACTIVITIES  
The school has a number of extra-curricular activities which are open to all students. These include the school band, the school orchestra, the school choir, the school drama club, the school chess club, the school debate club, the school sports team, and the school yearbook committee. All of these activities are supervised by teachers and are open to students of all grades.

ADDITIONAL ACTIVITIES  
In addition to the activities listed above, the school also has a number of other activities which are open to all students. These include the school garden, the school library, the school art room, the school music room, and the school gymnasium. All of these activities are supervised by teachers and are open to students of all grades.

CONCLUSION  
The school year 1943-1944 has been a very successful one. We have had a number of interesting and enjoyable activities, and we have made a great deal of progress in our studies. We are proud of the achievements of our students, and we are confident that they will continue to make progress in the coming year.
